CORELLIAN LOVES

by [Maggie Nowakowska](#)

Corellians never linger
so guard your loving heart.
For when their ships break hangar
Corellian loves depart.

CHORUS:
For they are kin to the starshine
that lights up their way.
They'll glitter by nighttime,
but they'll be gone by day.

He'll tell you where he's been, babe,
then where he's going next.
She'll tell you, you were great, babe,
but space is better yet.

CHORUS

Corellians give their friendship
to those they can respect;
but friendship and its freedoms
are all you can expect.

And when your love has gone, babe,
don't give up any tears.

Corellian love ain't constant,
but it lasts through all the years.

Corellians never linger
anywhere for long;
A ship's their only mistress;
Good-bye their only song.
