## **The First Time**

by [Cindy Olsen](#)

(filked from "Come, said the boy" by Mondo Rock)

It was an endless night.  
A journey through sublight space.  
And his head was feeling light.  
The first time...

She seemed much softer then.  
No longer the ice princess.  
And she said she liked nice men.  
It was the first time...

"What are you afraid of?" he asked.  
"My hands are dirty too.  
You say I'm just a scoundrel,  
But I'm a nice guy too."

"So come with me, Leia.  
Just take my hand.  
Let's do what we want to do.  
Let me be a man for you."

And she said,  
"Well we've been at this for a long time.  
And we've changed a lot.  
Up 'til now it's been the wrong time,  
To know whether to come here or not."

"But come with me, Han.  
Just take my hand.  
I'll let you see what you want to see.  
Come on be my nice guy for me."

## **Make Me Hard**

by [Cindy Olsen](#)

(Original words and music by Bernie Hayes. Performed by The Whitlams)

You were so hard, you were so cold.  
It seemed so simple, but now I know.  
You couldn't be the weak one,  
You always had to be the one to show your strength.

You made me hard, you made me strong.  
I was a moron, and for so for long.  
I couldn't get through your defences.  
I always had to fight with your strength.

If I could go back in time, well, I wouldn't change a thing.

You were so hard, you were so cold.  
It seemed so simple, but now I know.  
I like to think I helped with your disposition.  
I tried it on, and you rejected me.  
It took a while, but you've accepted me.  
We learnt a slow and painful lesson.

You made me hard, you made me strong.  
It was so simple, but took so long.  
I couldn't get through your defences.  
I always had to fight with your strength.

If I could go back in time, well, I wouldn't change a thing,  
Wouldn't change a thing. I wouldn't change a thing.

You made me hard, you made me strong.  
It was so simple, but took so long.

And I wonder what you find attractive in me.  
I've never seen you looking this excited.

Let's just accept and leave it as it is.  
'Cause we both found something, that was so far out of reach.

You make me hard, you make me strong.  
It is so simple, and now I know.  
You make me hard, you make me strong.  
It is so simple, and now I know.  
Now I know.
