## Poems

by [Nadja Lee](#)

English is not my native language. Please forgive me my mistakes.

This poem was inspired by *Quest for Camelot* and everything they wrote is theirs. The rest is mine.

### YOUR EYES

by Nadja Lee

Looking into your eyes  
And what do I see?  
The heavens are sparkling  
With starlight  
That's what I see in your eyes

I see the heavens in your smile  
I hear your heart beat with mine  
And suddenly I know why life  
Is worthwhile  
That's what I see in your eyes

I look at myself  
And what do I see?  
I see us floating away  
To the heavens for evermore  
That's what I see in your eyes

Here in the dark I see the sun  
Here in the dark our two hearts are one  
Here in the dark I start to feel  
Your love, your support  
That's what I see in your eyes

## **Alone**

by Nadja Lee

Alone my heart begins  
To wonder, to seek  
To reach for a star out of range

Like every tree stands on its own  
Reaching for the sky I stand alone  
I share my world with no one else  
All by myself I stand alone

I have seen your world  
Heard all the lies  
Felt all the pain

Reaching for the sky I stand alone  
I share my world with no one else  
All by myself I stand alone

Deep in the darkness  
My heart still sees  
All the things that I will never be

I share my world with on one else  
All by myself I stand alone

Still, I remember  
Still, I'll run to you  
Still, I love you

All by myself I stand alone

When it is time for you to go  
Take me in your arms  
And let me ride on the bittersweet wave of memories

I stand alone

Alone

## **Love Said**

by Nadja Lee

Take my hand  
You know I will  
Trust me  
You know I do

Let me be your eyes  
You are  
Let me be your shield  
You always have been

Let me take your pain as my own  
You already have  
Let me protect you  
You always do

Let me be your wings  
Only with you I can fly  
Let my love be your strength  
It is

Come to me  
I will  
Let us be together  
We are and always shall be
